

RSA-300-TG2

## TRAILERGUARD TG2 FEATURES/BENEFITS

FEATURE	INCLUDED/OPT.	BENEFITS
<b>10 WATT Solar Panel</b>	1 Included	Provides constant charging giving you a virtually "maintenance free" alarm
<b>Installation Friendly Terminal Strip</b>	1 Included	Mounted to the custom circuit board and labeled for easy hookup. Terminal Strip accommodates wire gages up to 12 AWG
<b>Brake Locking Relay</b>	1 Included	Assists in locking trailers brakes when activated making your trailer unmovable. System Flashes trailer lights when arming, disarming and when alarm is activated
<b>Backup Battery</b>	1 Included	Adds days of protection to your trailer even if charging is unavailable
<b>Adjustable Vibration Sensor</b>	1 Included	Recognizes attempts to vandalize, climb on or even move your trailer and activates alarm
<b>Internal Siren</b>	1 Included	Has six 124DB tones demanding attention to your trailer
<b>External Siren</b>	1 Included	Has six 124DB tones demanding attention to your trailer and is mounted under trailer
<b>Additional Charging Port</b>	1 Included	Added for AC hookup or for extra charging from a second battery source if solar availability is limited
<b>Battery Voltage LED Indicator</b>	1 Included	Gives you a quick check on battery power with the three color LED. *Press push button for status
<b>Alarm Status LED Indicator</b>	1 Included	Visible from outside of your trailer and blinks to let you and others know your trailer is protected.
<b>Keyswitch</b>	Option	Comes with two matching keys- Add as many keys as needed- Keys can match other alarm systems as well
<b>Remote Controls</b>	2 Included	Arm, disarm and activate panic mode. 2 additional remotes can be added to each system
<b>Weatherproof Door Switches</b>	2 Included	Tough, durable, hardwired and installed inside your trailer. Add as many door switches as needed to protect every door on your trailer
<b>10" x 9" x 4" 16 Gage Steel Enclosure</b>	1 Included	Bolts to the inside trailer wall, unreachable to would-be thieves
<b>Screw Cover Lid With Locking Tab</b>	1 Included	Prevents tampering with alarm while trailer is open, unarmed and otherwise unattended
<b>Custom Brackets</b>	1 Included	Hold battery in place during travel
<b>Hook Up Kit</b>	1 Included	Provides you with all hardware and wiring you need to install system. *Hookup kit excludes brake wire, as no industry standard exists for wire
<b>Knock Out</b>	1 Included	Provided for option of side installation of wires
<b>Detailed Schematic</b>	1 Included	Adhered to inside of cover lid
<b>Detailed Installation Instructions</b>	1 Included	Walks you through the install process with photos and helpful tips. Installation DVD coming soon
<b>Alarm Logic</b>	Included	"Numbered" chirps indicate status of alarm and trailer
<b>Lifetime Warranty</b>	Included	On all components and accessories ( 2 year warranty on battery)
<b>Ease Of Adding Accessories</b>	Add additional door switches, sirens, up to 4 remotes, strobe lights, keyswitch and up to 4-two-way pagers	
<b>Two-Way Pager</b>	Included	Add 1/2 mile coverage of notification of any violation- Add up to Four pagers per system
<b>Two-Way GPS</b>	Option	Control your alarm, receive e-mail/text message notifications and check status from any computer via the internet
